## ADD-ONS & EXTRAS

Any imaginable add on can and will be created to make your day **perfect** for you!

I have many **resources** to use for couples as far as referrals to **DJ's/ Floral/ Limo** and an **AMAZING Cake** specialist, to make your day stress free and as seamless as possible.

**2<sup>nd</sup> photographers** are also possible for an **Extra Fee** if the bride and groom would require them (Most cases they are not needed).

**Engagement** sessions are generally 60-90 minutes long but there is no rush to capture beautiful moments

Additional hours can be added on for \$250/hr.

Most important thing to remember when selecting any package is that I customize EVERY package to meet your needs, so the packages are just a general price and not a FINAL price!

Message me today with any and every question you would like to ask and let's create **MAGIC** for **YOU!**

Travel Fee is an **additional fee** if it is Longer than a 1 hour drive and I will TRAVEL ANYWHERE ON THE PLANET.

**HOLIDAYS/SPECIAL DATES** there would be an additional charge typically ranging from \$1,000-\$1,500 more for the date depending on the Holiday/Special date. The reason for the additional charge is for the simple reason of **FAMILY**. Holidays (Christmas/Thanksgiving/New Years etc..) are meant to be spent with family and Loved ones and to enjoy this time and be thankful for the company and presence of ones we don't normally/typically see throughout the year or in some cases years between seeing family if they live out of state. For this reason, taking time away from family to attend your event would require additional payment.
